Prior Art Citation

1. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Van Vlerken et al. (2004/0213119), Tobita (2005/0073923) and Iida (5,689,482), all disclose a recording and reproducing apparatus having a recording medium having recorded thereon ADIP information.

Reasons For Allowance

2. The following is an Examiner's Statement of Reasons for Allowance:

The prior art of record alone or in combination does not teach or suggest the method of determining whether an ADIP unit is included in a calculation result having the combination of steps with their recited process, and taken the claims as a whole in combination with, when the first determining process related to the first bit count is not able to determine whether the ADIP unit is included in the calculation result, a second determining process is performed on the sampling signal and the ideal bit stream, as set forth in claims 1-21.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
